Mailbox Address Numbers

🖂 General Requirements

- All homes must maintain address numbers that **match the style and specifications originally installed** by the builder at the time of construction.

- Replacement numbers must conform to the designated material, font, and size for each section of the community, as outlined below.

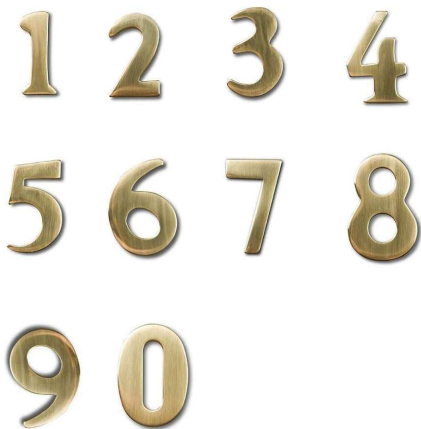

📍 Parkside and Waterside

- Font: **Williamsburg**

- Material: **2-inch Brass numbers**

- Only numbers in the **Williamsburg** font are permitted.

📍 Creekside

- **Primary**: 2-inch **sign-grade outdoor vinyl numbers**

- **Optional**: 2-inch **Brass numbers in Williamsburg font**

- Vinyl numbers must be durable, weather-resistant, and Gold in color

---

If replacement of mailbox numbers becomes necessary, homeowners must ensure compliance with the above specifications. Non-compliant numbers will be in violation.
